**Notice and Agenda of Call:
Energy Supply Technical Work Group, Call #7**

Notice is hereby given to the members of the Climate Change Advisory Group of the Office of the Governor of New Mexico and to the general public that the Climate Change Advisory Group's Energy Supply Technical Work Group (TWG) will hold a teleconference call and meeting that is open to the public on Tuesday, January 10, 2006 from 12:00 noon – 2:00 pm. Members of the public may hear the teleconference in at the Bruce King Farm & Ranch Heritage Museum, 4100 Dripping Springs Road, Las Cruces, New Mexico. Click [here](#) for a map showing the location of this address.

The agenda for the meeting is as follows:

1. Call to Order and Roll Call
2. Review and approval of January 10, 2006 Call #6 Summary
3. Continued discussion of consolidation of “short list” policy options for Initial Analysis, starting with revised 19-option “short list” developed on Call #6.
 - a. CCS will provide additional information about analysis and modeling.
 - b. CCS to review revised consolidation memo.
4. Identification of volunteers to assist with development of “straw proposals.”
5. Discussion of Policy Design Parameters (i.e., the “template” for fleshing out individual policy options), time permitting.
6. Proposed Agenda Items for Next Meeting
7. Call to the Public
8. Other Announcements
